b. Agree annual grant budget for 2022-23

Based on the Section 137 rate for 2022/23 of £8.83 per electorate, Parish Council decided to cap budget at £800 for the first year to see what demand this service yields, and it can then be reviewed for next year's budget

4. To review grant application from West Norfolk Priory Group for fundraising bingo event, scheduled for 6th August 2022

Correction - the grant is not on behalf of West Norfolk Priory Group but by Janet Shinn, who is fundraising on behalf of residents of the village who have costly medical needs. Proposal is to provide a bingo prize, as the Parish Council is not permitted to awards funds to individuals. Grant approved - agreed to provide £50 in form of a voucher **Action Clerk**
